

ElderCare Protection PlanSM

Services Include the Following:

- An in-home or video health and safety assessment followed by a written report with recommendations for health, safety, security and well-being.
- Three quarterly, 30 minute in-home visits or phone calls to identify any new health concerns, medication changes or other circumstances that may affect your health and well-being. Examples include chronic health conditions like heart disease, respiratory conditions, diabetes, memory issues, sepsis or cancer.
- Dedicated response for more urgent phone calls, within 24 hours. Response services can include advice on managing a more serious change in health, a bedside visit to help someone through a surgery or unexpected hospitalization, or a wellness check on elderly parents.
- Initial enrollment fee of \$465.00

Annual Plan Renewal:

- Renewal benefits and services are the same as the initial first year, starting with a repeat in-person or video health and safety re-assessment and written update.
- Plan renewal is voluntary at an annual renewal fee of \$345.00.

Notes:

- Any recommended service or service provided in response to an urgent call will be provided upon request at an agreed upon additional cost.
- Clinical services are not provided as part of the plan. For medical emergencies, please call your doctor or call 911.
- You may cancel the plan at any time without further obligation.
